SPRING LIST

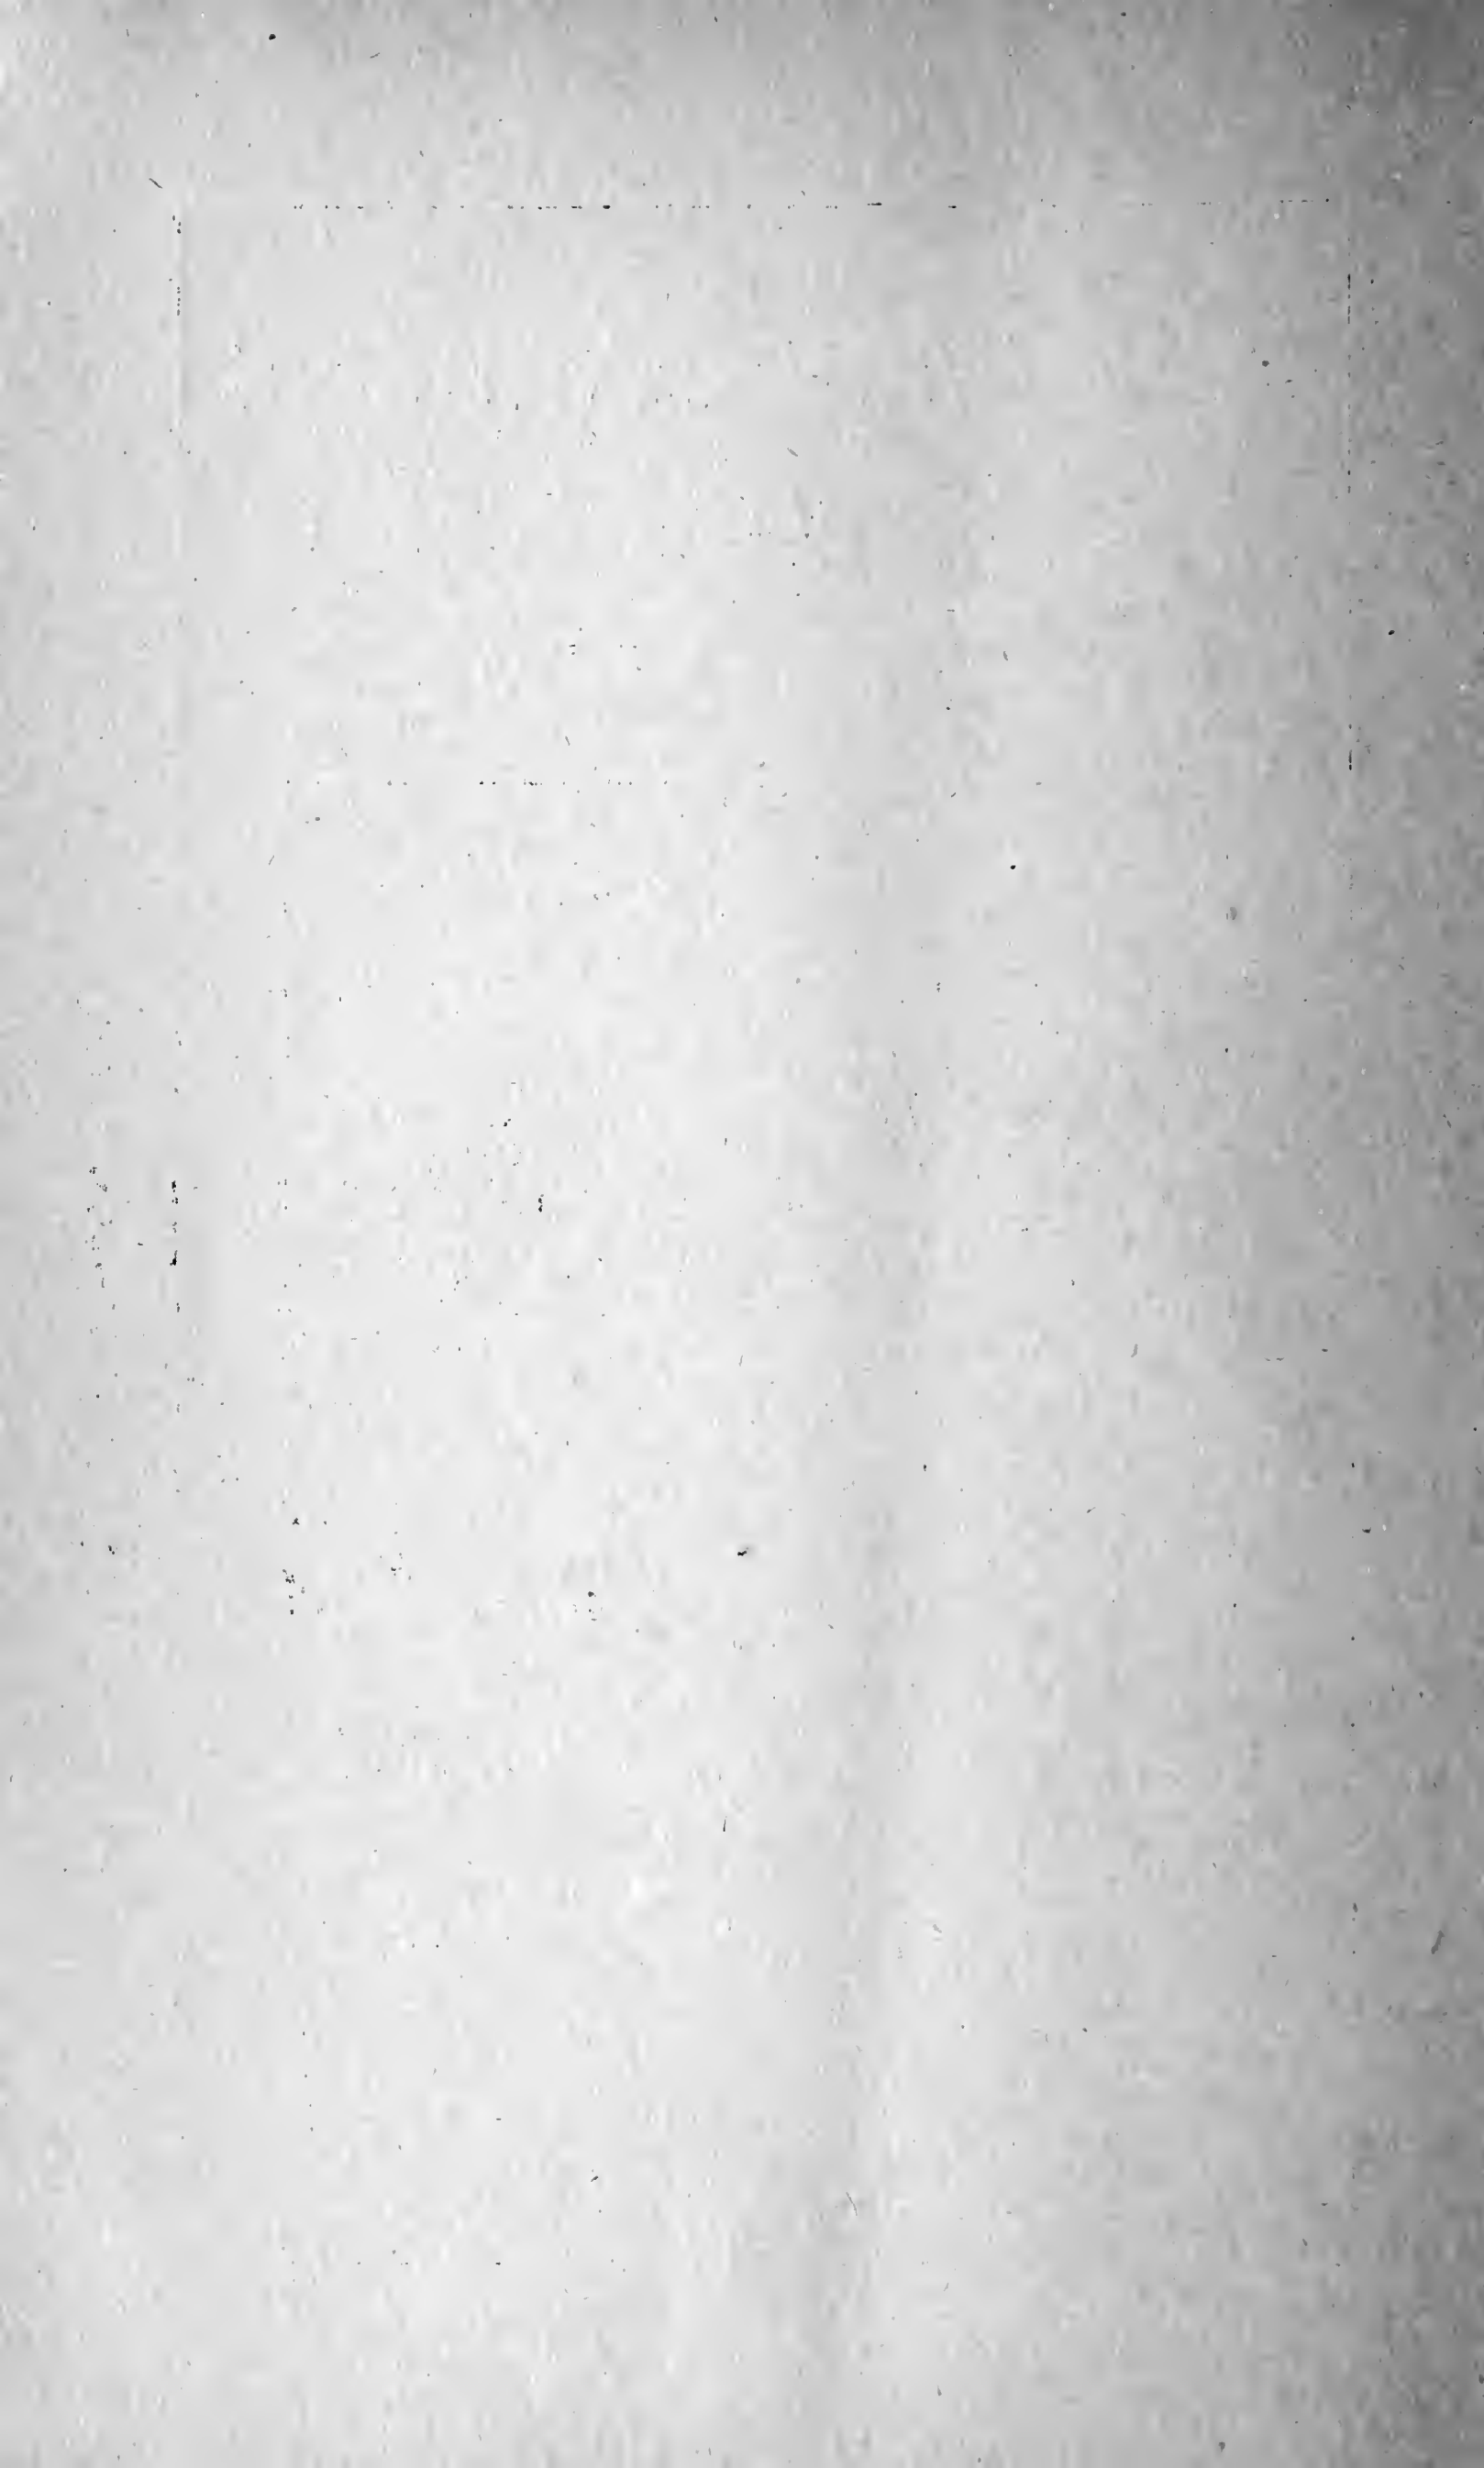

HARDY NORTHERN STOCK

RIVERSIDE GARDENS

Nursery—414 Riverside Drive

Greenhouse—215 E. Prospect

ST. LOUIS - - MICHIGAN

You Are Welcome

Visitors are welcome at Riverside Gardens, which are open every day of the week. All during the summer, hundreds of roses of every color vie with a million glads of over three hundred varieties, and with ten thousand dahlias of every color and type. When passing through St. Louis, the center of Michigan, visit Riverside Gardens, which are located on the north bank of Pine River. Riverside Gardens are on the new highway to the St. Louis oil fields.

Cut flowers are on sale all during the summer at very reasonable prices.

If you do not find what you want in this list, write for it. We will also quote prices on quantity lots.

TERMS: All orders are cash. We will ship C. O. D. if 20% is sent with the order. Everything is offered subject to being unsold on receipt of order. By placing orders, buyers are considered to agree to these terms. When an item is sold out, we reserve the right to substitute a similar article of equal or greater value, unless otherwise instructed.

We are always glad to answer any questions and are glad to give you suggestions and plan for landscape work without cost.

On every order of \$1.00 or more we will send 5 Gladiolus Bulbs if the order is accompanied by 3 names of friends interested in flowers and fruit.

OUR GUARANTEE

All goods are guaranteed to reach you in good condition. We use every possible care in packing and filling orders, but should an error occur, we will be glad to rectify it. Should any tree or plant prove untrue to name we will replace the stock or refund the purchase price upon proper proof, but in no case can we become liable for a greater sum than the purchase price of the stock. It is impossible at the price we sell, to guarantee growth or to be responsible for stock after delivering it to you in good condition, except for roses, covered by a special guarantee.

RIVERSIDE GARDENS.

Due to the fact that we are not using any cuts in this price list we can save a great deal in printing cost and pass it along to you by giving you wholesale prices on retail purchases. If our prices are too good to believe give us a trial order and see for yourself.

Phlox --- For Spectacular Color

This year we are limiting our list of Phlox to 20 varieties of what we consider to be the best, although we have over 50 varieties. Strong plants.
